Dear [Redacted]

As per your suggestion, we have made up a list of equipment that we would like to acquire if excess or no longer suited to your needs.

Rather than list individual pieces of equipment that we might want, we have listed equipment categories and type.

1. Processors

Dry Silver Type
Color Processors
Black and White Processors

2. Printers

Continuous Strip Contact Printer
High Resolution Contact Printer

3. Enlargers

Black and White or Color Enlargers (9 x 9 or larger)
Panoramic Rectifier
Precision Enlargers (vertical or horizontal)

4. Viewing Equipment

Stereomicroscopes - Zoom 70-95-240 with auxiliary
equipment
Stereoviewers
Light Tables
Film Viewers

[REDACTED]

2

25X1

5. Measuring Equipment

Comparators
Point Transfer Device
Plotters

6. Test and Evaluation Equipment

Densitometers
Microdensitometers
Sensitometer
Isodensitracer

Should any of the above types of equipment become available,
please call:

[REDACTED]

U.S. Department of Agriculture
ASCS - Aerial Photography Branch
Compliance and Appeals Division
Phone: 111-7681 or 388-7681
